

Agroliva

Leading Supplier Of Olive Oil

Company overview

Your Reliable Source for Tunisian Olive Oil

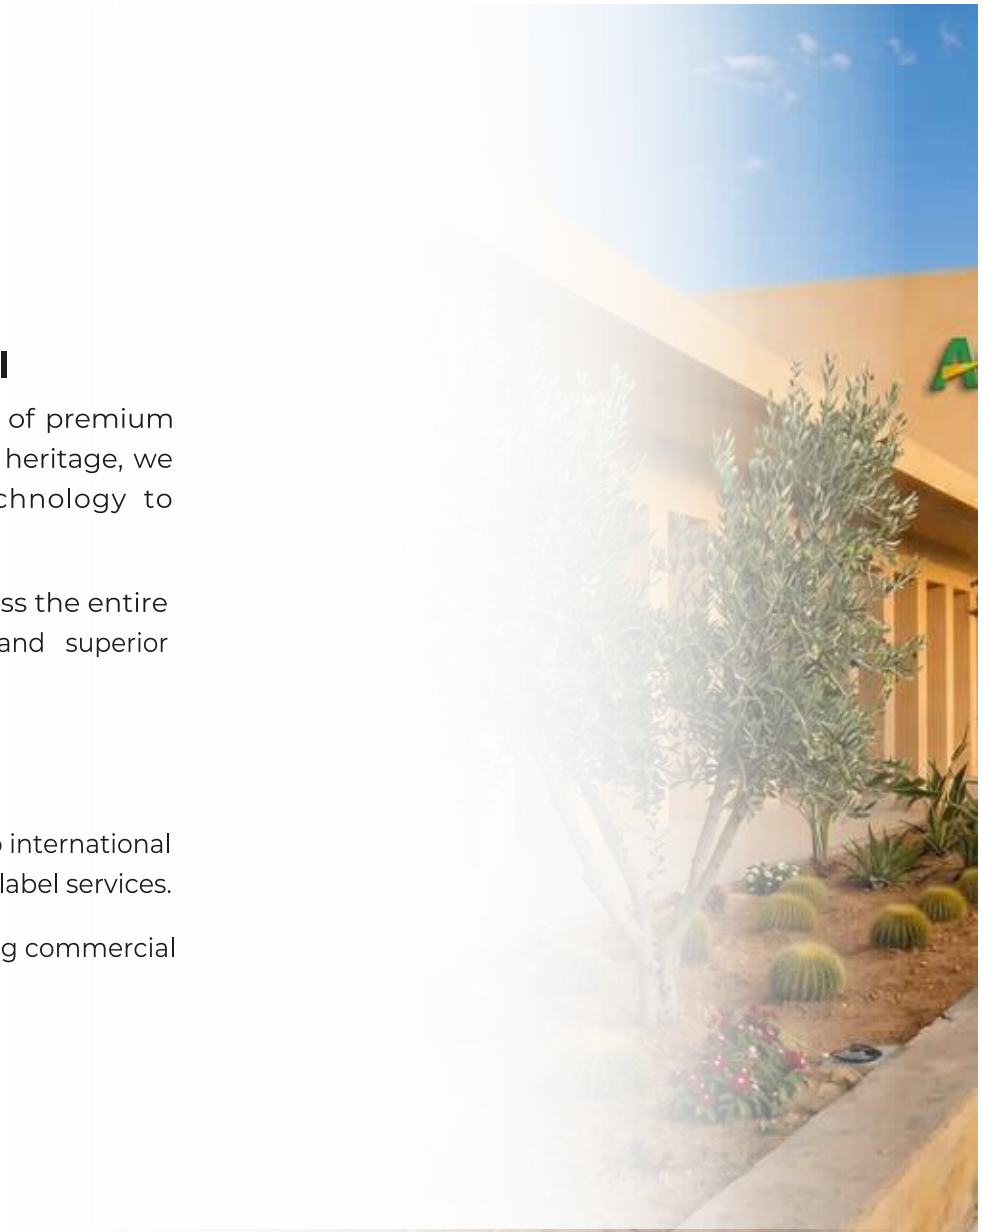

Agroliva is a Tunisian manufacturer and exporter of premium olive oil, based in Sfax. Rooted in a rich agricultural heritage, we combine traditional know-how with modern technology to produce authentic Mediterranean olive oils.

Our fully integrated operations ensure control across the entire value chain guaranteeing consistency, traceability, and superior quality.

Bulk & Private Label Solutions

We provide flexible, scalable supply solutions tailored to international needs including bulk olive oil and customized private label services.

Our approach ensures reliability, consistency, and strong commercial value.

Sustainability & Quality

We integrate sustainability and quality at every stage of our process. All operations are strictly controlled according to international standards, ensuring full traceability, product integrity, and premium quality.

Global Presence

Operating in over 60 countries, our footprint expands to meet the rising international demand for quality. We are dedicated to elevating Tunisian olive oil globally by fostering reliable, long-term partnerships worldwide.

PRODUCTION CAPACITY:

16K BOTTLES / HOUR

Our advanced production lines deliver up to 16,000 bottles per hour, ensuring efficiency, precision and consistent quality, while enabling us to meet high-volume demand with stringent standards and operational reliability.

- +  6 BOTTLING LINES
- +  1 SPRAY LINE
- +  2 POD LINES

STORAGE CAPACITY:

19K TONS

Backed by a storage capacity of 19,000 tons, **Agroliva** ensures seamless large-scale operations while ensuring consistent quality, optimal storage conditions and reliable supply for international markets.

We are Certified

At the heart of **Agroliva's** quality assurance is our in-house laboratory, recognized by the International Olive Council, ensuring rigorous testing and full compliance with international standards.

Our operations are supported by a robust certification framework, guaranteeing excellence, full traceability, and continuous improvement across every stage of the production process.

Explore Our Premium Olive Oil Collection

Experience our curated Mediterranean selection, featuring Organic Extra Virgin and Extra Virgin Olive Oils, carefully produced through a controlled cold extraction process that preserves their authentic character while delivering exceptional quality and purity.

Our Virgin and Pure Olive Oils are produced under equally rigorous standards ensuring consistent quality and well-balanced flavor profiles across all batches. The range is completed by Pomace Olive Oil, meeting diverse market requirements.

Organic Extra Virgin Olive Oil

Meticulously crafted through the first cold press of carefully selected organic olives using state-of-the-art mechanical methods. It imparts a sumptuous texture to your daily culinary creations, enhancing every dish with a luxurious touch. **Acidity less than 0.5%.**

Extra Virgin Olive Oil

Savor the excellence of our Extra Virgin Olive Oil, expertly crafted through first cold extraction from fresh olives using mechanical methods. This premium oil infuses your cooking with a Mediterranean touch in every drop. **Acidity less than 0.5%.**

Virgin

Olive Oil

Experience the excellence of our Virgin Olive Oil, first cold-pressed from fresh olives with mechanical methods. Bursting with rich flavor that enhances every dish with a touch of purity. **Acidity less than 2%.**

Pure

Olive Oil

It is a carefully balanced **blend of refined olive oil and Extra Virgin Olive Oil**. With its light composition, it is ideal for sautéing and baking, adding a subtle and versatile touch to your culinary creations. **Acidity less than 1%.**

Pomace

Olive Oil

This product is a harmonious **blend of refined olive pomace oil and Extra Virgin Olive Oil**, offering an excellent option for high-heat cooking. **Acidity less than 1%.**
