THE BEGINNING

From a modest, family-run venture to a globally trusted food manufacturing powerhouse, **Pagariya Food Products Pvt. Ltd.** has built a legacy rooted in quality, innovation, and integrity. What began with spices soon evolved into a diversified food portfolio, with the successful launch of breakfast cereals that redefined everyday nutrition for Indian households.

Driven by innovation, Kwaliti introduced advanced cereal formats such as Corn Flakes, Choco Flakes, Muesli, Oats, and value-added variants enriched with essential micronutrients. Designed to balance taste and nutrition, Kwaliti cereals quickly became a preferred breakfast choice especially among children successfully replacing unhealthy junk food options.

Headquartered in Bengaluru, India, Pagariya Foods today exports to **over 42 countries**, strengthening its global footprint across USA, the Middle East, Africa, Europe, and Asia, while proudly representing Indian food manufacturing excellence on the world stage.

THE EXPERTISE

Quality is not a department at Pagariya Foods it is a culture.

All Kwaliti products are manufactured in world-class, fully integrated facilities using state-of-the-art technology and advanced automation. The company complies with the most stringent global food safety and quality benchmarks, holding certifications such as **FSSC, BRC, US FDA, and Kosher**.

Raw materials and spices are responsibly sourced from India's finest agricultural regions and undergo multi-level quality checks before processing. Our proprietary aroma-retention and packaging technologies ensure superior freshness, taste, and shelf life.

Kwaliti breakfast cereals are produced using advanced extrusion and flaking technologies, delivering consistent texture, superior crunch, and nutritional integrity meeting international standards and diverse global taste preferences.
